Acceptance and publication of your application

Your application was accepted on 5 October 2022. Acceptance will be advertised in Journal 1720 to be published on 28 October 2022.

Patent will be granted if no opposition or re-examination proceedings arise

A patent will be granted 3 months from the date of publication in the journal. The date of grant will be entered in the Register of Patents.

Any person may request [re-examination of an accepted application](#) or file an [opposition to grant of a patent](#) before it is granted.

Payment of renewal fees for your patent

You need to pay annual renewal fees to keep your patent in force and prevent it from lapsing. See our website for information on [renewal fees and how to make payments](#). Fees are subject to GST where applicable.

Warning of misleading invoices and scams relating to intellectual property rights

Fees should be paid through our website or to your intellectual property professional. See our website for more information on [misleading invoices and known scams](#).

If you have concerns about a communication relating to your intellectual property or payment of fees, please contact us immediately on 0508 4 IPONZ (0508 447 669).

Yours faithfully
